FROM THE DESK OF THE MANAGING DIRECTOR

Mr. Arun Kumar Sinha, I.A.S

Dear Students,

“ Footwear Design and Development Institute is an Institution of National Importance under FDDI Act 2017. FDDI is committed towards providing world class education in the fields of Footwear Design & Production, Fashion Design, Retail & Fashion Merchandise and Leather Goods & Accessories Design. This knowledge is being imparted through quality education, experienced and qualified faculty and providing the appropriate learning environment at our world class campuses. We try to encourage students evolve into competent professionals having cross functional expertise and a global outlook. For more than three decades FDDI has served the nation by focusing on knowledge, skill enrichment, and application of technology in teaching, research and professional competence. FDDI is the only ‘Institution of National Importance (INI)’ institute offering degree course in footwear domain.

FDDI follows well researched and updated industry-oriented curriculum. This methodology helps students nurture their skills and ambitions in a professional manner with the help of advanced learning material, practical experience where constant hands-on learning and experimentation happens in an interactive teaching-learning environment, mandatory internships, job counseling, placement activities, and overall grooming of students into future executives. These courses produce well-rounded graduates with expertise in key skill required for the industry.

FDDI believes in responsible education and is committed to meet its social obligations. This objective is achieved by providing an equal opportunity to all sections of the society. Through its inclusive education, FDDI attempts to integrate students who do not have adequate avenues due to locational or social constraints.

We look forward to welcoming all young learners who have the zeal to learn, have the wish to contribute to society & nation building and have the desire to excel and become a successful professional. ”

FOREWORD

The Footwear Design & Development Institute (FDDI), under the aegis of Ministry of Commerce & Industry, has been playing a pioneering role in shaping the development of the Footwear & Leather sector in India.

Since more than three decades, FDDI has been at the fore-front of providing technical education and expertise in this sector, propelling India to become the 2nd largest producer of footwear, 2nd largest exporter of leather garments and 5th largest exporter of leather goods in the World. The footwear industry in India now contributes about two per cent to India's overall GDP and employs 2 mn workers, making the sector one of the top employment generators in the country. The market size is set to grow to USD 30 bn by 2030. Additionally, with the Apparel and footwear sector growing in double-digits in the last few years, they are likely to propel growth in organized retail segment as well in the coming decade.

FDDI is among the top three Universities/ Institutions in the World taking up higher education in the core domain and aiding in bridging the skill gap in the areas of Footwear, Leather Accessory & lifestyle products.

In its zest for fostering the culture of innovation as part of its vision for shaping the future of Footwear & Leather sector in India, FDDI is also in process of setting up Centres of Excellence across seven of its campuses in the areas of Design, Leather Finishing, Innovation and Product Retailing, Specialized Footwear among others.

Most of the leading Indian industries act as academic and governing council members of this Institute and participate in its academic matters such as curriculum upgradation, programme designing, expertise lectures, etc. It offers a vast range of academic programs in the niche areas of Footwear, Fashion, Retail & Leather goods such as B.Des., BBA, M.Des. and MBA through its four schools namely School of Footwear Design & Production, School of Leather Goods & Accessories Design, School of Retail & Fashion Merchandise and School of Fashion Design. The programme curriculum includes creative workshops, case studies and meetings with professionals to understand the specificities of fashion and footwear related careers.

To provide a unique learning experience and facilitate global industry exposure for students, FDDI has been building strong international linkages and tie-ups through technical trainings and application-based managerial specialized courses in the fields of Footwear Fashion/Styling and CAD, Marketing, Merchandising, Buying/Sourcing, Costing and Quality Management in the Footwear Retailing sector.

With the admission cycle for academic year 2023-24 now being initiated, we are fully committed to creating industry relevant graduates and tomorrow's business leaders.

We welcome you all to be a part of this exciting journey!

PLACEMENT CELL

The Placement Department plays a key role in counselling and guiding the students of the Institute for their successful career. It is a crucial interface for the students between the stage of completion of academic program of studies and entry into the professional world. The Placement department invites reputed National & Multinational companies for Internships & Placement of students across all campuses & courses. The department ensures proper counselling & grooming sessions to prepare students to face interviews, discussions & challenges that await them pre- & post- their career journey.

The Placement department is also responsible to invite stalwarts from the Industry for guest lectures, seminars, webinars, & events to share insights on latest trends, market scenario, economic growth, Industry need etc. Such sessions help in holistic development of students as they imbibe the practical learning along with academic learning.

PLACEMENT PROCESS AT FDDI

The Footwear Design & Development Institute, Ministry of Commerce & Industry, Govt. of India has a centralized campus placement process for all the 12 campuses of FDDI.

The Companies may send their manpower requirement at the placementcell@fddiindia.com or they may register through the link mentioned on the website of FDDI. Placement Department would respond to the requirement/query as per the confirmation for application received from students. Companies may extend Pre Placement offer to students during internship time. Such students, if willing to work with the company may not participate in campus placement process. A student once selected by a company would not be allowed to apply for other companies.

EVENTS AND ACTIVITIES

To showcase the creative skill and edifying creativity of the student community, the campus provides a suitable platform for the budding artists to bring to light the Indian culture and showpiece its present integration with the Western community by way of Co-curricular activities.

Students can develop their social and interpersonal skills by getting involved in various co-curricular activities. Various clubs like Sports, Cultural, and Literary are functional in the FDDI and these clubs and activities encourage our students to delve deeper into activities and subject areas that they are passionate about. Such activities also improve their teamwork skills, and ability to build meaningful relationship with friends and peers, as well as with junior and senior students. A core committee consisting of staff and students' members manages these clubs. Some of these events and activities include Footwear and Leather Expo, Inter College/School Design Competition, Knowledge Festival, etc.
