'Certificate of Achievement' presented to Ms. Teena Khandait

With an aim to celebrate the incredible craftsmanship of handloom weavers, Ms. Teena presented her captivating collection based on this timeless artistry. Her designs seamlessly merged tradition with contemporary aesthetics, capturing the essence of the weavers' skills and promoting their craft to a wider audience.

The exceptional skills and unique vision of Ms. Teena Khandait, a final year student B.Des. Fashion Design from the School of Fashion Design (SFD) caught the attention of the judges, resulting in her well-deserved recognition.

Acknowledging her remarkable work, she received a certificate of recognition, that propelled her into the next phase of the competition.

Following the achievement, Ms. Teena will now represent FDDI and the handloom weavers in the final round of the event. This opportunity allows her to further showcase her talent and create awareness about the importance of preserving the rich heritage of handloom weaving.
