

Circular

Dated 24.7.2018

F: No FDDI/NOIDA/ADMC/APRS/2018-19

The Prospectus 2018 may please be referred. As mentioned therein, a minimum batch size of 10 students is required to start a course/programme in any campus. It is seen that there are not requisite 10 admissions in quite a few courses/programmes in some campuses. The seat index as on date is given below.

Accordingly, FDDI invites students to give their preferred choice of campus, provided there are minimum six candidates already enrolled therein. In case the student do not wish to migrate to new campus, he/she can withdraw his/her candidature.

FDDI reserves the right to not commence a particular course/programme, if despite migration of new students, there are less than 10 students enrolled in a course/programme in any of the campuses.
