gave valuable suggestions for the improvement of standards of teaching, research and collaboration programmes of the Institute across all the campuses.

Mr. Arun Kumar Sinha, IAS, Managing Director, FDDI briefing about the Physical Laboratory at ITC to the Hon'ble C&IM

During the visit, the Hon'ble C&IM addressed the students. In his 'Keynote Address', the Hon'ble C&IM said, "The leather sector of the country, one of the traditional industries, faced many challenges. If the challenges are not addressed immediately, it would put the industry in existential crisis."

He further said that, "To focus on technology upgradation in the leather sector through investments on plant and machinery and to focus on creating trained human resource by offering stipends and improve access to markets globally by building brand equity, Government of India has also

been granted an unprecedented Rs. 2600/- Crore Leather package."

Mr. Arun Kumar Sinha, IAS, Managing Director, FDDI briefing about the Chemical Laboratory at ITC to the Hon'ble C&IM

The Hon'ble C&IM congratulated students for studying at FDDI - an 'Institution of National Importance' (INI), and said that he foresees FDDI as the pioneer Institution in global arena in churning out highly trained Designers, technocrats and professionals joining the sector.
